Your day will begin with breakfast and then a day spent exploring the warm peaceful lagoon waters of Huahine by private outrigger canoe boat. Imagine lots of sunshine, swimming and snorkeling remote, untouched places. We will have a private Polynesian lunch and BBQ on a private island with gorgeous white sand beaches.

We will have lunch at a great local restaurant in the main village of Fare, just a quick walk along the beach from our hotel. The afternoon is for you to explore, rest, swim, hike and enjoy this stunning island.

Day 5

NOVEMBER 16

Wake up to the stunning crystal clear waters right outside your cabin windows. We will stop at a beautiful private islet for a day full of white sand beaches, swimming and lunch! You will have the opportunity to meet one of Polynesia's most respected tattoo artists and cultural expert. We will cruise to the island of Tahaa, home to the world's best vanilla, and have the opportunity to visit a local vanilla farm. The day will be filled with a private tour of the lagoon only accessed by speed boat with lunch set on our favorite most picturesque islet. For those who love to snorkel it doesn't get any better. For those that just want to lay on a white sand beach, get ready for paradise.

Day 7

GOING WITH THE FLOW

Our itineraries are designed to be fun, flexible, and always designed to show guests the best of French Polynesia. We keep the itinerary "fluid" due to weather, as we are always seeking to enhance your time in the islands!

ACCOMMODATIONS

Your Hotel – The Maitai Lapita Village Huahine

Conveniently located at the entrance of the Fare, the island's main village, [The Maitai Lapita Village](#) is emblematic of the mix of nature and culture that is unique to the enchanting island of Huahine. Here you will discover luxuriant vegetation, private bays and inlets, heavenly motus, along with rich cultural and historical heritage.

This charming hotel village naturally blends into its environment as it combines local traditional materials and modern recycled ones. The hotel's architecture draws inspiration from the great sailing canoes of the island's ancestors, the Lapita people, and the saga of their migration through the Pacific islands.

Set on a white sand beach and a beautiful blue lagoon, your hotel is composed of 30 bungalows, half perched over the edge of a natural spring lake covered with water lilies ("[Premium Lake](#)" bungalows) and half nestled in beautiful tropical gardens ("[Premium Garden](#)" bungalows). Each premium bungalow is both spacious, well-equipped, and constructed inline with the ancient houses of Polynesian canoes. You'll enjoy modern, spacious restrooms, coffee/tea service, writing table and chair, safe, mini-bar, TV, international dial telephone, internet access (via WiFi), hairdryer, A/C, and daily maid service. Both bungalow types have spacious terraces overlooking the beautiful grounds and tropical flowers.

All bungalows are available for single or double occupancy, each featuring one large king-sized bed and two large sofa or twin beds. Pricing is based on occupancy.

Your Luxury Catamaran – “Floating Over-Water Bungalow”

We specifically designed our Women’s Tahitian Escape itinerary to include time cruising the islands by catamaran. In our experience, there is simply no better way to experience the beauty and culture of French Polynesia than by boat. We will be cruising the peaceful waters of Raiatea and Tahaa which share the same exterior coral reef. This protective reef is what makes for the glassy, crystal clear lagoon waters that Tahiti is famous for. This style of travel allows for many different, beautiful, secluded anchorages each day, and with the shallow draft that catamarans have, we can reach places in the lagoon others are not able to. Simply sit back and enjoy the view from on deck, or dive in and enjoy a swim. Your captain, local chef, and guide are ready to welcome you onboard and share the beauty of the islands.

Our catamarans have six staterooms, each with a private restroom. Trip pricing is based on choosing a private cabin for one person, or a shared cabin for two people. Each cabin is very spacious and has one queen-sized bed designed for two people.
